HELPING NON-PROFITS TO MAKE A DIFFERENCE

While many non-profits are motivated to do good in the world, forming and operating a successful non-profit requires business acumen and attention to complex state and federal laws. At Brown McGarry Nimeroff, we help non-profits address the operational, governance and compliance issues that are unique to their industry. We provide a wide range of services to many charitable and tax-exempt organizations, advising on all aspects of organization and management:

- Governance, membership, and board disputes
- Premises liability
- Employment practices liability

Our non-profit clients appreciate our advocacy and counsel, and know that our goal is to help them thrive in any non-profit setting.
